

Alpaca Ontario Show and Workshops 2004

The third annual Alpaca Ontario Show and Workshops were held on Saturday May 1st and Sunday May 2nd 2004 at Kemptville College, Kemptville Ontario.

The full fleece halter show on Saturday May 1st nearly doubled in size from the 2003 show. There were 130 Alpacas shown by 35 Canadian breeders in 15 Huacaya colour classes and 4 Suri colour classes. Grand Champion and Reserve Champion ribbons were awarded in five colour and gender divisions. The Supreme Champion Male and Supreme Champion Female were also selected. Full show results are listed separately.

Alpaca Ontario was privileged to have Maggie Krieger as judge and to receive her positive feedback: *"It takes a lot of hard work and cooperation from everyone to run such an event and to do it with the efficiency you all did is a step up from just having it run. It was a great job and I thank you for involving me in the event."*

Workshops and seminars held on Sunday May 2nd were attended by approximately 80 Alpaca enthusiasts. In the morning there were concurrent sessions on shearing, skirting and sorting fleece, hay analysis, and farm set-up. The afternoon session was an informative lecture by Maggie Krieger on *'Fleece Characteristics and their Relevance to Alpaca Breeding'*.

Thank you to the many Gold, Silver and Bronze sponsors as well as the many volunteers who made it possible to run this annual event. Alpaca Ontario especially appreciates the participation of Alpaca breeders from both eastern and western provinces. Classes containing Alpacas from several Canadian provinces truly enable breeders to evaluate and verify their breeding program with respect to the Canadian Alpaca industry.

Consistent with Alpaca Ontario's goal for continual growth in the size and quality of this annual event, new events and other improvements will be incorporated in the planning for 2005.
