

## **Alpaca Ontario Show 2005**

“Wow, what a fabulous weekend” generally sums up the comments on the fourth annual Alpaca Ontario Show 2005 held at the Orangeville Fairgrounds, Orangeville, Ontario, on the weekend of April 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup>, 2005. Events flowed smoothly right from the informative tips on showing alpacas and the very well attended Alpaca Ontario annual general meeting Friday evening through to the third session of seminars Sunday afternoon.

Mike Safley maintained a nice easy pace of judging through 21 classes totalling 165 alpacas followed by five Best of Age and two Grand Champion championship classes and two progeny group classes. Although the majority of the 48 farms participating were from Ontario, alpacas came from western and eastern provinces as well. A steady flow of spectators enjoyed Mike’s informative explanations and browsing the featured farm and vendor displays. Mike commented on the high quality of alpacas and the depth of quality in the entered classes and identified 4<sup>th</sup> and 5<sup>th</sup> place alpacas in classes where he felt the placing of 4<sup>th</sup> and 5<sup>th</sup> were warranted. Even though ribbons were only awarded to 4<sup>th</sup> place in classes with 10 or more entries the full show results (listed separately) includes the official, signed-off placements by Mike.

The Orangeville facilities proved to be a great venue for the show. As such the 2006 show will again be at Orangeville. Alpaca Ontario was pleased to have the Consul General of Peru and his guests drop by the show and are thrilled by the prospect of their participation in 2006. Mark your calendar now for April 7 – 9, 2006.

Workshops and seminars held on Sunday April 10<sup>th</sup> were attended by approximately 80 alpaca enthusiasts. The education sessions included a variety of concurrent topics suitable for different interests and experience levels. Mike Safley shared his wealth of alpaca knowledge on genetics, breeding and breed types. Cathy Merkley answered everything you wanted to know about fibre while Heather Handy provided an insight into the workings of a mini-mill.

Thank you to the many sponsors as well as the many volunteers who made it possible to run this annual event. Alpaca Ontario is indeed fortunate to be able to draw upon a professional and committed membership who is willing to give of their time and talents.

As indicated above preliminary plans are already in place for the 2006 show with Amanda VandenBosch judging. Enhancements have already been identified and the feasibility of new events will be explored. The Alpaca Ontario Show 2006 will be a weekend you do not want to miss.
