*Not assigned

The ribbons and CLASS points were not assigned due to a ruling by the CLAA Grievance Committee. This committee was formed in response to a grievance suggesting a possible conflict of interest situation that occurred during the judging. The grievance committee was composed of CLAA members. The committee stated "Since there is a lack of evidence that the conflict of interest was anything more than a perceived conflict of interest, ribbons and points ... will not be re-allocated to other participants in the show."
