

2003 Royal Manitoba Alpaca Show

The third annual Royal Manitoba Alpaca Show was held April 3-5, 2003 in Brandon, Manitoba in conjunction with the Royal Manitoba Winter Fair. While the hours of preparation put in by the show committee ensured a good show, the committee was unable to control the weather. Unfortunately a winter storm (maybe that is why it is called the Winter Fair) prevented a number of farms from attending. Consequently, what was to be the largest show yet with 95 entries, ended up being similar in size to past years with 77 actually competing. Nevertheless, judge Tracey Riopel of Westlock, Alberta still had to decide her placings from many quality alpacas, which were placed using international rules. The Manitoba Alpaca Club wishes to thank all those people who helped to put the show on, and the participants who braved the elements to attend. Hopefully weather will not be an issue next year. Mark your calendars for April 1-3, 2004, when one of the top judges in the world, Maggie Krieger, will judge your alpacas.
